Good briefing this morning, thanks to you all.

Although it wasn't ready in time for the call, I'd like to pass on this briefing paper to the Wetlands Div. folks in anticipation they may need to brief up very soon. I was working off a March paper so lots to be updated, and I did the best I could, but it definitely needs your review. Laura, check my statement on NPDES, please. Carter, please fill in the blanks I've highlighted. Rob and Liz, it's all fair game for you to improve (actually that goes for everyone, of course!)

This shouldn't take long, and I'd like to forward it on today or tomorrow if possible. Thanks - Jason
